Experience

Frontend Developer

MAY, 2025 - PRESENT

AppAura.net

Developed and maintained the front end and **authentication** systems using **React.js** and **Axios**, while integrating **LLM-based** Customer, vendor APIs. Enhanced site performance, improved user engagement, and ensured seamless user authentication during **part-time**, hourly-based collaboration with the company.

Frontend Developer

2024-PRESENT

CodeCradle Technologies

Developed and maintained responsive **Web3**, **Blockchain** and **DeFi applications** using **Next.js** and **React Native**, enhancing site performance and user engagement. Implemented smooth, dynamic animations with **Framer Motion**, improving user experience and interface interactivity. Integrated **REST APIs** and **GraphQL** to ensure seamless data flow and boost application efficiency and responsiveness.

Freelancing

2023-2024

Frontend Developer

Designed and developed **React** projects using **Bootstrap**, delivering responsive and user-friendly interfaces tailored to client needs. Built and optimized reusable **React components** to enhance development efficiency and maintainability, while collaborating closely with clients to gather requirements and deliver customized solutions that improved user engagement.

Education

Bachelor of Computer Science

2020 - 2024

SE COLLEGE BAHAWALPUR, PAKISTAN

Acquired a strong foundation in **web development**, **C++**, and **C#**, with an emphasis on **data structures and algorithms** (DSA). Gained hands-on experience in building modern web applications and developing efficient, scalable solutions, preparing for real-world challenges in software and front-end development.

Intermediate in Computer Science

2018 - 2020

GOVT GRADUATE COLLEGE, BWP

Built a foundational understanding of computer science concepts, starting with C and C++ programming. Gained essential skills in writing basic programs using functions like **printf** and **scanf**, which laid the groundwork for further studies and a career in software and web development.
